

§ 623.3 Submission of requests for loan of Army materiel.

(a) *General.* (1) Loan requests will be expedited according to the situation's urgency. A situation may be so serious that waiting for instructions or approval from a higher authority is unwarranted. Commanders will then take action as required to save human life, prevent human suffering, or reduce property damage or destruction. (See § 623.2(b)(1).) Such emergency actions will be reported at once to higher authority according to § 623.7.

(2) Requests to the US Army for loan, or loan extension, will be promptly sent by the Army element that received the request through channels to the approving authority shown in table 2-1 or as specified in appropriate regulations.

(3) Loan requests will be made by the head of the Federal agency, civil authority, or civilian activity desiring the materiel. An exception is that requests from the Federal Disaster Assistance Administration (FDAA) will normally be initiated by an FDAA regional director rather than by the administrator. The requests should be made directly to the approving authorities shown in table 2-1.

(b) *The Army National Guard (ARNG).* Loan requests for property belonging to ARNG will be made under National Guard Regulation 735-12. (See para 5, table 2-1.)

(B) Duration of loan.

(C) Funds to defray transportation and handling.

(D) Serviceability requirements.

(ii) Approving authority involved will—

(A) Forward a loan agreement to requester. Loan agreements within DOD will often consist of letter requests, approving endorsements, and materiel issue document (DD 1348-1) transferring temporary accountability. Between units and activities, a hand receipt may be used as the loan agreement.

(B) Furnish positive identification of item to be loaned.

(C) Provide instructions for delivery of equipment.

(iii) DOD recipient of loaned Army materiel will—

(A) Forward accepted loan agreement to approving authority (all actions can be accomplished by electrically transmitted messages).

(B) Provide geographic location of equipment and specific activity that is responsible for care and preservation of loaned equipment.

(C) Return equipment to Army in condition received with normal allowance for fair wear and tear.

(2) *Non-DOD activities.* Non-DOD activities, including Federal agencies will request loan of Army materiel as follows:

(i) Non-DOD activities, and agencies, will send routine requests by letter 45 days before the materiel is required. Federal agencies may use Standard Form 344 (Multiuse Standard Requisitioning/Issue System Document). Requests will include the following:

(A) The DA approving authority. See table 2-1.

(B) Date request is submitted.

(C) Title of requesting agency and/or person authorized to receive or pick up the borrowed materiel. Be specific; e.g., Special Agent in Charge John Doe, FBI, Anytown, USA, (telephone number with area code) 123-456-7890.

(D) Type of loan; e.g., Boy Scout National Jamboree, American Legion Convention, etc. (with a short summary of circumstances).

(E) Statement that none of the requested materiel is internally available to the requesting activity.

(G) Authority for the loan (if known); e.g., public law, US code, executive order, etc. See table 2-1.

(H) Positive identification of the type and quantity of items required. If national stock numbers and nomenclature are not available, identify the items needed by type, model, size, capacity, caliber, etc.

(I) Geographic location where the materiel will be located and used.

(J) Proposed duration of the loan.

(K) Statement that the agency has, or will ensure capability to properly operate, maintain, secure, and care for the borrowed materiel.

(L) If firearms are requested, a statement that adequate facilities are available to secure the arms. See §623.5(a)(4).

(M) A statement that the borrowing activity will assume all responsibilities, liabilities, and costs related to the movement, use, care, security, loss, damage, and repair of the loaned materiel.

(N) Citation of funds to cover reimbursable costs. Also, a statement that an adequate bond will be provided, if required.

(O) A statement that the loan agreement prepared by the Army will be signed by the "responsible official" of the borrowing activity (or designee).

(P) Name, address, and telephone number of the person who will serve as the point of contact for the requesting agency, authority, or activity.

(Q) Complete instructions for delivery of the equipment to ensure that shipping instructions in the request are consistent with the urgency of the situation. State whether a small quantity shipped by air, express, or other fast means will satisfy immediate needs until bulk shipments can arrive. Also state quantity immediately required.

(R) If applicable, the number of persons to be accommodated.

(i) Urgent requests may be made to meet expected or actual emergencies. Such requests may be made by telephone or by electrically transmitted message. Include information required in paragraphs (c)(2)(i) (A) through (R) of this section to the extent possible. The request will be presented to the approving authority. The borrower will then send a complete written request to formalize the emergency request.

(iii) If approval of the loan is granted, approving authorities will contact accountable property officers at CONUS installations (equivalent level overseas), or MRC item managers to determine which items are available. Installation requests to MRCs will state that the installation resources could not meet the loan requirements. Availability decisions will be based on normal management criteria including

past and anticipated demand, asset balances, order-ship time, repair rate and repair cycles, and procurement schedules. If requested items are available and approved for issue, the approving authority (or designee) will—

(A) Negotiate and agreement;

(B) Obtain surety bond from the borrower when required;

(C) Provide reproduced copies of the signed documents to the appropriate accountable property office along with authorization to make the loan.

(iv) Approving authorities will maintain a system of numerical control for all loans. The accountable property officer will enter this number on all transaction documents related to each specific loan to include requisition, issue, shipping, turn-in, and financial documents.

(3) *The US Secret Service (USSS).*

(i) Army regulation 1-4 provides policies and procedures for Army support to the Secret Service. (5) *The Federal Bureau of Investigation.* (i) Requests for aircraft piracy assistance, received from Federal authorities by Army field commands or activities, will be forwarded through command channels by telephone (confirmed by electrically transmitted message) to the Military Support Division, ODCSOPS (DAMO-ODS), AUTOVON 255-3848/7433/2003 (WATS 202-695-2003). These requests will be approved by the DOD General Counsel (or designee).

(ii) The requests will then be sent to the National Military Command Center (NMCC). It will coordinate between the lending accountable property officer and the borrower.

(iii) In urgent cases, the Deputy Director for Operations, NMCC, may approve requests upon his or her own responsibility. This is subject to a later report to the chairman of the Joint Chiefs of Staff and the DOD General Counsel.

(iv) Approved requirements will be passed to the Secretary of the Army by telephone and confirmed by electrically transmitted message.
